Sacred Songs.

Best Composers.*

Edited by W. J. HENDERSON.

IN FOUR VOLUMES.

Each \$1.50

**Vol. I—Soprano. Vol. III—Tenor.
Vol. II—Alto. Vol. IV—Bass.**

Few American musical editors have reached a wider public than W. J. HENDERSON. He is endowed with a sound, practical musicianship of the highest order, and the collection in hand should advance his high repute and stimulate and delight both singer and worshipper in the service of the church.

This new addition to a now famous series of vocal collections, shares with the previous volumes, "*Oratorio Songs*," "*Opera Songs*," and "*Famous Songs*," their excellence of material, of editing, and of mechanical execution. It is the greatest contribution yet made to collective sacred song, and can not fail to make a very powerful appeal to the interests of all singers.

Mr. Henderson has collected the very best of sacred song literature produced during a period covering two hundred years—from Bach to Cowen—representing the following composers:—
